Please recycle your computing hardware and printing supplies. Find out how at our website.

¹Not included, please purchase separately. Page yield is based on ISO/IEC 24711 or HP testing methodology and continuous printing, and is dependent on the individual cartridge and printer. Actual results may vary. ²Results based on IDC inkjet product shipment data through 2009. ³Some small pieces of tape are not recyclable. ⁴Program availability varies. HP print cartridge return and recycling is currently available in more than 49 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners program. For more information, visit: www.hp.com/recycle.
